Learning Assumed to Be in Place

There are no formal prerequisites required prior to taking this course.

Assessment & Certification

What is a passing score?

The course requires that students score 80% or higher to pass the exam at the end.

How many times can I retake the quizzes?

Lesson quizzes can be taken 5 times failing to pass them will result in moving on to the next lesson.

How many times can I take the test at the end?

You have 3 attempts to pass the test at the end of the course. You must score at least 80% to pass. If you do not pass the test in 3 attempts the course will end and you will not be issued a certificate, you will need to retake the course and start from the beginning.

How do I get my certificate?

After completing the course and passing the course, you will receive a certificate of completion. You can download and print this certificate.

How do I get my Certificate of Completion?

To print your Certificate of Completion please go to the "My Courses" section of your profile, and from the "Show" drop-down list select "Completed Courses". Once selected, please click on the "Print Certificate" icon in blue to print your Certificate of Completion.
